Information on Emory LaVista Parent Council:

Do you have a child who attends a school in the Lakeside or Druid Hills school cluster? Do you want to see greater improvements in our schools?

Emory Lavista Parent Council (ELPC) is part of Parent Council United (PCU), which exists to inform, to discuss and to advocate. The Council chooses topics of interest to its community and brings School District leadership and other speakers together with parents to discuss issues affecting the cluster.

The time commitment of two community meetings a year and an hour each month is low, but the impact is great! We strive to have a balance of members from both Lakeside & Druid Hills clusters.

Priorities Include:

Serve as a liaison with their Principal's Advisory Council/Local School Council, PTA and/or Cluster Council

Attend and help set up the two ELPC Meetings during the school year ,as well as the Parent Councils United (PCU) sponsored State of the District.

Collaborate to develop relevant meeting topics, schedule and communicate meeting details to stakeholder

ELPC is made up of representative parents from each Lakeside and Druid Hills cluster school, past and current members of the Principal Advisory Councils (PAC) and focuses on topics that are relevant across all the schools.

ELPC engagement is a great way to have an impact beyond your local school.
