

Hello Neighbors,

I hope this message finds you healthy and well. We all have much to be thankful for with the beautiful spring weather and at least a temporary reprieve from COVID-19.

Unfortunately, I am writing with the somber news that, over the last month, four of our esteemed and treasured LRSCA Board members have experienced serious medical complications. Thankfully, all have made it through the worst and are now recovering. Although we do not wish to burden you with the details, our recuperating Board Members are Marylee Putnam, Susan McWethy, and two others. And an additional board member is scheduled for a major surgery next month. We hope that you will keep these individuals in your thoughts and prayers. You may also send your well wishes to laurelridgeshamrock@mail.com.

As your civic association, LRSCA is planning for several important events this year, including community meetings on the North DeKalb Mall redevelopment and possible North Decatur cityhood, our annual National Night Out Ice Cream Social, and our fall elections and meeting with our County Commissioners. We will also continue to keep you informed regarding the relocation of Chick-fil-A, a possible PATH extension into our neighborhood, access to the DHMS track and field and Shamrock Forest trails, and the replacement of water and sewer line segments in our neighborhood.

However, our remaining six Board Members cannot take on all these projects without your help and support. Most immediately, we need several volunteers to help coordinate and staff our meeting on the North DeKalb Mall redevelopment, which we are planning as an in-person event at Druid Hills Middle School (date to be determined). This could involve room set up, greeting guests, collecting payments, and/or collecting comment cards. If you are interested in assisting with this, or any of the other priorities listed above, please let us know at laurelridgeshamrock@mail.com.

We hope to be back to full health soon. Please check your email later this week for our Spring newsletter. We will also be sending out a dues reminder for those who have not paid for 2022.

As always, it is an honor and privilege to serve you.

Sincerely,
Whitney McGinniss
LRSCA Vice President
