

TO: LRSCA Board

FROM: Marylee Putnam

DATE: July 13, 2022

It's with a sad heart that I must resign as president of the Laurel Ridge Shamrock Civic Association. This resignation is effective immediately due to health issues. I very much enjoyed my role with LRSCA for the past seven years. I would like to remain as a board member at large and help in any way I can.

Working with all of you has been an honor. Thanks for all your help.
